## AIRPORT AND HOTEL TRANSFERS

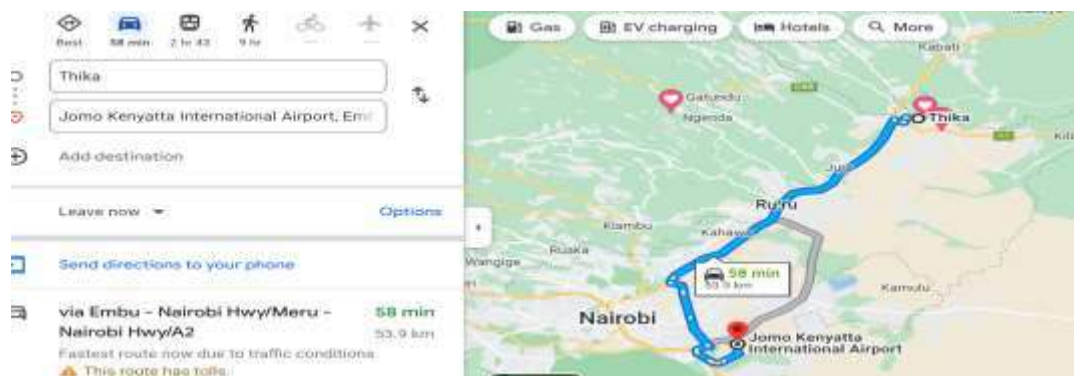

To get from Jomo Kenyatta International Airport to Mount Kenya University Thika or to the hotel, there are several options available. You can order a ride from **Bolt and Uber** which are the most common tech companies in Nairobi through their mobile apps.

Normally there is a free **Wi-Fi connection at the airport**, which you can connect to in order to use the applications. The other service available at the airport is Kenatco Taxis, which has an office at the terminal but usually charges a higher rate than the apps based companies.

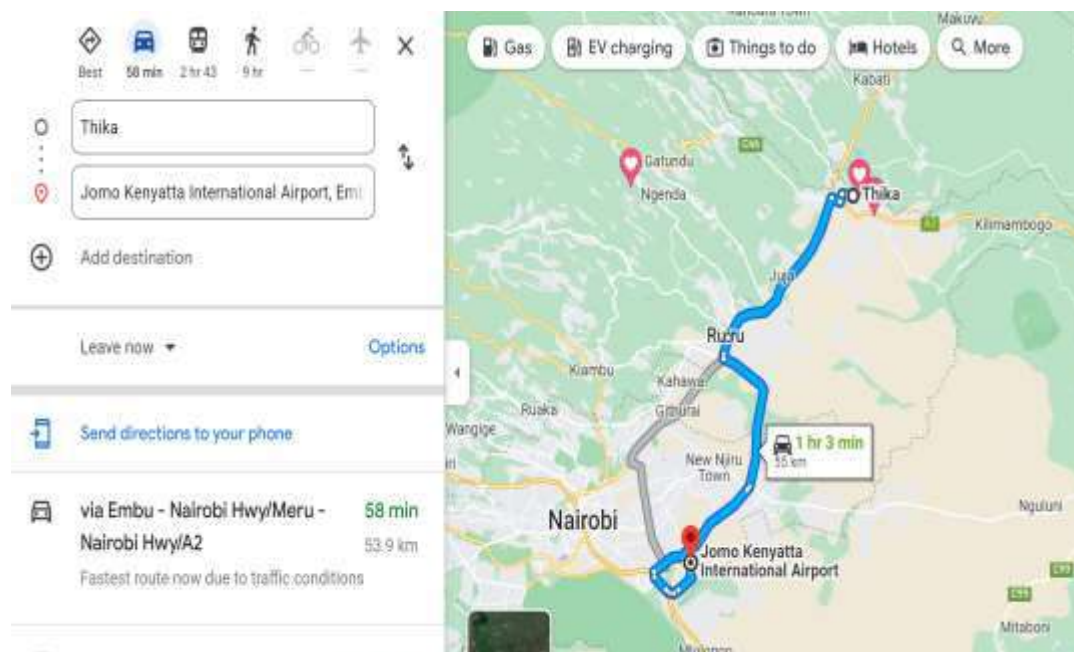

### **NOTE:**

- For group travel, we can arrange pick-up from the airport (send itinerary)
- The shortest distance are usually using the eastern bypass () or outerring road (58mins).
- Use google maps to check the distance which range from

### Via Outerring Road

### Via eastern bypass Road
